Sir:

This is in response to the DECISION ON PETITION UNDER 37 CFR 1.182 (hereafter "Decision") in the above-referenced application mailed March 30, 2007. Inasmuch as the two month period for reply is set in the Decision to expire on May 30, 2007 this response is being filed by the initial due date for response. However, if any extension of time is necessary, this is an express request for any necessary extension of time and authorization to charge any required extension of time fee or any other fees which may be required to preserve the pendency of the present application to Deposit Account No. 19-0089.

The Decision essentially states that Applicants' Petition under 37 CFR 1.182 to change the name of the fourth inventor from Yvonne Cierpisz to Yvonne Eckhard due to marriage is dismissed because the declaration executed by Yvonne Eckhard allegedly is not in compliance with 37 CFR 1.497 (a)-(b) and the declaration executed by Linda Engfeldt allegedly is not in

compliance with 37 CFR 1.69, both due to alterations in the declarations which are not initialed and dated.

In response, Applicants are submitting herewith new declarations which are duly executed by Yvonne Eckhard and Linda Engfeldt and do not contain any alterations. In this regard, Applicants point out that the address of Linda Engfeldt has changed since the original declaration was filed, and this change in address is reflected in the declaration executed by Linda Engfeldt submitted herewith

**In view of the foregoing, Applicants respectfully request reconsideration of the Petition under 37 CFR 1.182 and request that the Petition be granted.** In this regard, Applicants note that the Decision states that no additional petition fee is required.

Should be any questions, the Patent and Trademark Office is invited to contact the undersigned at the telephone number listed below.

Respectfully submitted,  
Ulrike SCHULZ et al.
